

SERVICES (AC Publishing)

AC Publishing Writes, Publishes, and Markets!

From international publishing to printing, distributing, and marketing, our team takes great joy in turning author names into personal brands.

Here is a list of our services:

Book Publishing: Assisting authors in publishing and distributing their books in various formats, including print, e-book, and audiobook.

Manuscript Evaluation: Providing feedback and constructive criticism on manuscripts to help authors refine their work.

Ghostwriting: Writing content on behalf of authors who may not have the time or expertise to do so.

Editing Services: Copyediting, line editing, and proofreading to ensure manuscripts are polished and error-free.

Book Design and Layout: Designing book covers and formatting the interior layout for a professional look.

Illustration and Graphics: Creating custom illustrations and graphics for book covers and interior artwork.

Typesetting: Formatting text and elements for print and digital publications.

Audio Publishing: Producing and distributing audiobooks.

E-book Conversion: Converting manuscripts into different e-book formats compatible with various e-readers.

Printing Services: Coordinating and managing the printing process for physical books.

Distribution: Distributing books to bookstores, online retailers, libraries, and other outlets.

Metadata Optimization: Enhancing book metadata to improve discoverability and visibility on online platforms.

Translation Services: Translating books into different languages to reach wider audiences.

Book Marketing and Promotion: Developing marketing strategies to increase book sales, including online and offline promotion.

SERVICES (AC Publishing)

Author Branding: Assisting authors in building their brand and online presence.

Author Website Development: Designing and developing professional websites for authors.

Public Relations: Managing media relations and press coverage to create buzz around books and authors.

Print-On-Demand (POD) Services: Printing books as needed, reducing upfront costs and inventory.

Copyright Services: Assisting authors with copyright registration and protection.
